of the body into vigorous ac-tivity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and ob-structs its natural functions. These, if not relieved, structs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from by the same means. As no who know the vittles of these Pills, will neglect to employ them when suffering from the disorders they cure.

From a Forwarding Merchant of St. Louis, Fib 4, 1856. Da. Ayea: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mether has been long grievously affiliated with blotches and pinples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore.

DEAR BRO. Aver.: I cannot answer you whot complaints I have care I with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBUEG, Pa., May 1, 1885.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious compaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Diplothernt of the Interior, Washington, D. C., 7th Feb., 1856.

Sta: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best eathurite we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldem found a case of billous discuss so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hospital.

Dysentery, Diarrhoa, Relax, Worms.

From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrham. Their sugar-coating makes thein very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V Himes, Pastor of Advent Church, Boston. DR. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Fills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

Constipution, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Mastreel, Canada.

Too much cannot be said of your Pills for the cure of continents. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who ruffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe cos-tireness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secre-tion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church-PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

Honord Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exeminating neuralgic pains, which ended in chronic rheumatium. Notwithstanding I had the best of physicians, the disease grow worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackensie, I tried your Pills. Their offects were slow, but sure. By torsevering Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

Bev J. K. Chase, of Rumney, N. H., under date of April 4th, 1860 says:

When your favor, (two bottles of White Pine Compound.) was received, I was suffering from a most severe cold. I took the Compound. and was able to preach in two days.

"I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."

Rev. L. C. Stevens, Pastor of the Baptist Church at Goffstown Centre as a letter dated Fed. 1846. says:

"Some of my ramily have tried it. (the Compound.) with signal success. I believe it to be one of the hist Cough Remedics ever prepared. Besides its value as a Cough medicine. I have good reason to believe it to be all it claims to be for Kidkey Diseases and Diabetes."

Mr. Asa Goodhue, of Sow, N. H., wasso prost, and by Diabetes, in Manch, 1849, that neither himself no. any who saw him thought that he could possibly live through the month.
